WELCOME

As always, our support is focused on the other than those relating to the quality and effectiveness of teaching and learning. We continue to review our offer to subscribing schools each year and the invaluable feedback given by headteachers, governors and governance professionals helps ensure that our service continues to meet your developing needs and crucially provides excellent value for money.

S&GS remains a . • • • and is, therefore, required to recover the majority of its operating costs. During the last financial year, virtually all the maintained schools in Birmingham made the decision to continue subscribing to S&GS. Your continued support is much appreciated and will only enhance our ability to respond to the wide range of issues that you face on a day-to-day basis.

1 . We appreciate the continuing pressure on school budgets and remain committed to maintaining our costs at as low a level as possible. The 202 -2 144 2, 2 which represents a 10% increase on last year's fees.

Schools who have signed up to our subscription commitment for 3 years' remain eligible for the 5% discount that we have committed to. Subscribing maintained schools will be invoiced early in the new financial year.

We appreciate the overwhelmingly positive feedback we have received from you so far for our advice and support. Please continue to let us know about anything that has gone well, as well as any suggestions for aspects of our service that you feel we could improve. Your feedback is vital in helping us to achieve this.

We urge you to take a really good look at our updated service offer laid out in this brochure. We hope that you will continue to subscribe to S&GS which, you tell us, is highly valued by school leaders and governing boards (GBs).
