Section 251 School Budget Statement

1 Background

The purpose of this statement is to provide a clear and concise overview of the school's financial position and performance for the fiscal year. It is intended to assist the community in understanding the school's budget and to ensure transparency in the use of public funds.

The statement is prepared in accordance with the requirements of the State Board of Education and the State Auditor. It provides a detailed breakdown of the school's revenues and expenditures, as well as a comparison of actual results to the budgeted amounts.

2 Purpose of the Financial Statement

The primary purpose of this financial statement is to provide the community with a clear and accurate picture of the school's financial health. It is designed to be easy to understand and to provide a comprehensive overview of the school's financial activities.

The statement is prepared in accordance with the requirements of the State Board of Education and the State Auditor. It provides a detailed breakdown of the school's revenues and expenditures, as well as a comparison of actual results to the budgeted amounts.

3 General Financial Statement Details

The following table provides a summary of the school's financial statement details for the fiscal year. The table is organized by major category and includes a breakdown of revenues and expenditures.

The following table provides a summary of the school's financial statement details for the fiscal year. The table is organized by major category and includes a breakdown of revenues and expenditures.
